The page features a decorative border with a Greek key pattern. At the top, the title 'Ausgewählte Erzählungen' is written in a stylized font. Below the title, the text describes the book's purpose for young women and lists the author, Charlotte Späth. The publisher's name, Carl Erhard, is at the bottom. The page is adorned with several illustrations: two standing female figures in classical attire on either side of the central text, a seated figure with a child in the center, and two circular vignettes at the bottom corners showing figures in a landscape.

A vertical ruler and color calibration chart is placed on the right side of the page. The ruler shows measurements in millimeters (mm) and centimeters (cm). Below the ruler is a color calibration chart with various color patches labeled C1 through B9. The text 'Image Engineering Scan Reference Chart TE201 Serial No. 150' is visible at the bottom of the chart. The text 'Patch reference numbers on UTT' is also present. The text 'the scale towards document' is written vertically on the right side of the chart.
