

The title page features a highly decorative border of leaves, flowers, and animals. At the top, a bird is perched on a branch. Below it, a monkey is visible on the left, and a parrot on the right. The central text is framed by large, stylized leaves. In the middle, a scene depicts a woman and a child with a dog and a pig. At the bottom, there are more flowers and a basket. The entire design is rendered in a fine-line, engraved style.
