RESOLVED

THAT OPERATIONS ARE NECESSARY SOMETIMES. BUT DOCTORS ARE CARELESS. IT IS CARELESS OF A DOCTOR TO LOSE HIS SEAL RING INSIDE OF A PERSON AND NOT FIND IT OUT TILL HE HAS EM ALL SEWED UP. THEN HAVE TO COME BACK AND UNSEW EM TO HUNT AROUND FOR HIS RING. A DOCTOR'S CHARGE IS LIKE THE CHARGE OF THE LIGHT BRIGADE, BUT HE HAS A RIGHT TO CHARGE. WHO WOULD WISH TO HEAR ALL THE LONG WINDED COMPLAINTS REAL AND IMAGINARY THAT THE POOR DOCTOR HAS TO LISTEN TO. WHEN DOCTORS LEARN HOW TO CURE THE DISPOSITION THEY WONT HAVE MUCH ELSE TO DO BUSTER BROWN
