Out from School

1

Now who's for a lark
In Victoria Park?
Who'll rollick and racket with me?
For lessons are done,
And we're ripe for some fun,
Before we go home to our tea.

2

What shrieks of delight
As we fly up the kite!
What jostling and tussling and noise!
We swarm on the grass
Till you scarcely can pass
For babies and girlies and boys.

3

Then hey! for a lark
In the sunny green Park;
Bring skipping-rope, dolly, and ball;
Come, join in the throng,
As we frolic along;
There's sunshine and playtime for all.
